### PROFESSIONAL PROFILE

With 3 years of dynamic web dev mastery, I'm your go-to. Adept in HTML, CSS, JS, PHP, Python, and more, I ignite MERN stacks. From top-tier projects to seamless UX, my precision, creativity, and passion fuel achievements.

### WORK EXPERIENCE

#### Junior React Developer at AntonX, Peshawar

January 2023 – April 2023

Junior React Developer at AntonX, Peshawar

As a Junior React Developer at AntonX, I'm integral in creating seamless user interfaces using React.js. I convert design wireframes into interactive components, optimizing performance and troubleshooting issues within a collaborative team. Committed to clean code and innovative solutions that drive AntonX's web development excellence.

#### Freelancer at Fiverr

November 2020 – January 2023

As a Fiverr freelancer, I've successfully delivered eight projects across diverse industries. My focused communication and strict adherence to deadlines consistently resulted in surpassing client expectations. Freelancing honed my technical prowess and adeptness in grasping unique project demands, fostering productive collaborations. Explore my Fiverr profile for more insights: [Fiverr Profile](#).

### EDUCATION

BS Computer Science      2020 – Present

FAST NUCES, Peshawar

F.Sc (Pre-Engineering)      2018 – 2020
